your wedding day?*

*The Loveden Central Group of Churches
wants to help and support you.*

*You have choices in how your wedding ceremony
is organised. It is your wedding after all. With
the help of Rev Sara Davies you can make
choices about your hymns, music, readings and
the prayers you would like.*

*We can help you with your choice of choir, bells
and organist. Just let us know what you would
like.*

*The fees for a church wedding are set nationally.
There may be additional costs, depending on
your requirements and your chosen church.*
